DETAILED ACTION

This Office Action is in response to the amendment filed 26 October 2004.

Allowable Subject Matter

Claims 2-7, 9-20 and 32-36 are allowed.

The following is an examiner's statement of reasons for allowance: Claims 2-7, 9-20 and 32-36 are allowable because prior art does not show alone or in combination along with the limitations in the independent claims such as, substrate having a ground structure including, for each signal wiring, a pair of rectangular ground plane portions located on opposite sides of the second contact of that signal wiring.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
